“ I have some of my fondest childhood memories with you and your family. From camping to watching you and my parents bowl in Walker at the bowling alley. So many memories! I will always remember hearing your booming voice yell "dig in D" at the football games at CP football games. You, Marlene and your kids will forever be cemented in my childhood memories. My condolences to Marlene, Butch, Trudy and Tina and your grandchildren. Rest in Heaven.

“ My grandfather was an amazing man in my life. He did so many things for me and my family. I would always love to watch John Wayne with him on tv, I'd sit with him for hours. I'd go out to the garage and talk to him forever. I love him so very much. I'm so glad he is no longer in pain as he didn't deserve to feel any pain. RIP Grandpa, you will forever be missed and honored down here on Earth.

“ Hugs, thoughts and prayers go out to my cousin, Marlene, and her family. I remember how excited I was to be a bridesmaid in their wedding and the trip I made with my parents and my aunt and uncle (Marlene's parents) to visit Gene and Marlene at the Marine Corp Base in 29 Palms, CA. Many years with lots of family gatherings come to mind as I think of this family. We were all so close back then. Over the years, having our own families, and sometimes, distance, separated us, but the fun times and memories are still there. May God wrap His Loving Arms around all of you and hold you close.

“ My grandpa was the most kind and huge hearted person ever. He would do anything for anyone. He was a wonderful man and he was the person that made me the person I am today. I will forever cherish the moments I got to spend with him and forever love him. I will never stop hurting from this. He was one of the strongest people I knew and I still can't believe he is gone. I will forever miss him til the day I get to see him again I'm so blessed to have such a beautiful soul looking over me now His wings were ready to fly I love you so much grandpa. Not a day will go by that I don't think about you or miss you because this hurt is definitely a different kind of hurt 03.06.1941-08.29.21 😞

“ I spent alot of time at the Scadden house when I was in high school. Gene was always so nice and when you needed words if encouragement he always made you feel like you could conquer the world. He would umpire some of our softball games and his deep voice you could clearly hear the call. My deepest sympathies to the family and I pray for peace and comfort at this difficult time. He will be missed. Rest in Peace
