

Patricia Jeanne Rose

June 15, 1928 - November 8, 2020

Patricia Jeanne Rose, 92, of Marion, Iowa, passed away on Sunday, November 8, 2020, at Bickford of Marion. Graveside services will be held at 1:30 p.m. on Thursday November 12, 2020, at Springville Cemetery in Springville, Iowa, with Pastor Jeff Frohner officiating. All guests are respectfully requested to wear a face mask and practice social distancing. Murdoch Funeral Home & Cremation Service, Marion, is assisting the family.

Pat was born June 15, 1928, in Fairfield Township, Iowa, the daughter of Vance and Clara (Schroeder) Peters. She attended country school and graduated from high school in Preston, Iowa, and Iowa Teachers College in Cedar Falls, Iowa. Pat married Bob Rose in August of 1949. Her first teaching job was in a one room country school teaching students in grades kindergarten through 8. She then taught at Springville Schools for almost 40 years. Pat was very proud to have taught three generations of students. She was a charter member of Lutheran Church of the Resurrection where she attended the women's bible study. Pat also was a member of the Paralta Embroidery Club and the Red Hat Society. She volunteered at Mission of Hope, Springville Public Library, and the Springville Historical Society. Pat was glamorous in her early years with her cat eye sunglasses and red lipstick. She was an ambivalent pet parent to dogs, cats, hamsters and an "unapproved" monkey. Pat was very proud that she knew how to crank a Model T. She and Bob enjoyed many winters in Arizona.

She is survived and lovingly remembered by her son, Roger (Lisa) Rose of Springville; daughters, Lori (Doug) Hutchison of Santa Rosa, California and Barbara (Dan) Colby of Marion; grandsons, Chris (Jen) Colby, Bob Colby, Justin (Melissa) Rose, Brian (Jessica) Rose, and Roman Hutchison; great-granddaughters, Emma Colby and Harlow Rose; sisters-in-law, Mary (Larry) Stoecker and Mary Rose; and numerous nieces and nephews.

Pat was preceded in death by her parents; husband, Bob; father-in-law and mother-in-law, George and Ethyl Rose; and siblings, Les Peters and Vera Roe; and a sister-in-law and brother-in-law.

In lieu of flowers, memorials in Pat's memory may be directed to the Lutheran Church of the Resurrection in Marion, Springville Library, Springville Fire Department, or Springville American Legion Hall.

“ Pat, a lovely lady! I will always remember Pat for her welcoming spirit and generous way. She was a pleasure to be around and I wish I had seen her more times than I did. I will always have good memories of this wonderful woman.

“ My condolences to the family of Pat Rose. I don't know all of you, but I am a neighbor of Roger and Lisa.
I first met Pat when my younger daughter was fortunate to have her as her 4th grade teacher. She was a caring person and was one of Jodi's favorite teachers. Pat was always Mrs. Rose to me until Paralta Club.
I then connected with Pat in Paralta Embroidery Club. We have had a good group and we all enjoyed what each member had to offer. Pat told us the monkey story -- you all must have had a fun childhood.
Pat was such a sweet, kind and truly caring person. I never heard her say a bad word about anyone. She will be missed by all who knew her.
God's blessings to all of you.

“ To the family of Pat Rose,
Our condolences to each of you at this difficult time of closure. Pat was a dedicated fellow Springville teacher. She was always smiling and quick to greet me/us. We also shared the era when the girls got to the finals of the Softball Districts Tournaments four consecutive seasons. May a candle always remind you of the wonderful memories and many blessing you share. Gods Peace be with each of you and cherish the joy and love your family shared over the years. Respectfully, Jurine B Moore and Mashall Moore Nemer

“ School Days Memories.

Mrs. Rose taught me my multiplication table. After we mastered the table we were allowed to pick a prize from a shoe box full of small fun items. One box was for boys and another for girls. Apparently it was a hard task for me as I remember in great detail practicing and finally succeeding. It was such relief when I finally recited the table correctly and was allowed to pick a prize.

I also remember Mrs. Rose would go the beauty parlor on main street every week. I assumed she got her wash and set but she also got a manicure with bright red nail polish.

Mrs. Rose was a lovely patient teacher who truly cared about her students. I was thrilled when she flagged me down at a Springville Alumni Banquet a couple of years ago. The efforts of a good teacher stay with you forever.

P.S. I remember the monkey. He was brought to school and Mr. Rowan the principle had him on a leash sitting on a projector trolley rolling him around to each class. Naturally for us small town kids it was the closest encounter we ever had with a real live monkey. I don't know how the monkey arrived at the school that day but one could assume Mrs. Rose didn't drive the monkey to school.

“ I have so many beautiful memories of Pat. She loved to cook and share her recipes, entertain, dance (with Bob or by herself in the kitchen), sing, and her love of her family. We were fortunate to celebrate many Thanksgivings with them in Arizona. Those were true family days with our "family by choice". Her death leaves a big hole in a lot of hearts. Keep dancing, my friend.

“ We loved Pat Rose so much. Got acquainted with her at the El Mirage in Mesa AZ, and we had many parties with Pat & Bob, went to the big dance place in Iowa with them and Jack and Barb Lavelle! I've never known anyone that was such a sweet person as our Pat Rose was and our life was enriched by knowing and loving her!

I am so sorry for your loss.

“ Mrs. Rose was my third grade teacher in 1948 and was greatly loved by our class. During this year my mother died and Mrs. Rose was very supportive and loving. I have never forgotten her and was able to thank her when I attended my 60th Class Reunion. I also have a picture of us together at that time - which I highly prize. I send my condolences to the remaining family and you can know that Mrs. Rose was a loving caring person - as I am sure you already know. Kathleen (Watson) Bates

“ Mrs. Rose, you were a wonderful educator who taught with kindness and love. I think of you fondly in the classroom and as a neighbor. Not too many years ago, we ran into one another - you called me by name and engaged in a warm and genuinely kind conversation, just the way I always remembered you from years past. A true blessing to the Springville community and school.

“ So sorry to hear of Pat's passing Our condolences goes to the family. She left the world a better place and we will cherish our memories of this lovely Lady. Pat was so glamorous in her red hat, a classy Lady and a special friend. She shared recipes, advice, her home, and a mean margarita. We will never forget the time we flew down to AZ to visit them. Our flight was delayed, luggage lost, and arrived late. We were frazzled by the time we got there. Pat calmly said "things will be OK" and made us the best margarita I ever had! Another time, we meet Bob & Pat at Collins Plaza for "Happy Hour" and had a wonderful visit!
